

Juho Itkonen

Stage Manager

Juho Itkonen is a lighting professional currently completing his studies in the Department of Lighting and Sound Design at the Theatre Academy of Finland. Apart from student projects and work for several smaller theatre groups, his designs have already been seen, for instance, at Helsinki City Theatre and Teatteri Takomo. Itkonen has also worked as a lighting technician at Savonlinna Opera Festival, the Alexander Theatre, Ryhmäteatteri, the Theatre Academy and elsewhere, and has taught lighting techniques at Kallio Upper Secondary School of Performing Arts. His collaboration with Tero Saarinen Company began in 2008 with *Next of Kin* and he is currently working for the Company as Stage Manager.
